Recyclage des produits en fin de vie

Vous pouvez rapporter votre mobilier déchetterie ou faire appel aux acteurs de l'économie sociale et solidaire.

Pour la collecte et le recyclage des meubles usagés

Le Programme Éco-mobilier réunit les distributeurs et les fabricants français de mobilier, les collectivités locales et les acteurs de l'économie sociale et solidaire ainsi que les industriels de la collecte et du recyclage. Financé par l'éco-participation sur les meubles neufs, le Programme Éco-mobilier, agréé par le ministère de l'Écologie, favorise la réutilisation et le recyclage des meubles usagés.
